1. TRUSTEE NOMINATION

Nominations are invited from people willing to contribute to the governance, strategic direction and long-term stewardship of Ngā Hau e Whā Cambridge Community Marae.

Trustees act collectively as fiduciaries and kaitiaki, helping protect the Marae, its kaupapa, Māori Reservation, assets and future generations.

A person may:

- Nominate another person, with their agreement
- Nominate themselves

Self-nominations and nominations made by another person will be considered through the same process and against the same requirements.

Important — Nomination is not Appointment

Nomination does not constitute appointment as a Trustee.

All nominees must complete the Trustee Nominee Information & Declaration Form.
